

## **Introductory training in epidemiology and disease outbreak investigation**

**Attwood Motel and Convention Centre, 13-15 March 2012**

### **Workshop details:**

When: 13-15 March 2012, 9.00am to 5.00pm daily

Where: Attwood Motel and Convention Centre, Attwood, Vic (Near Melbourne airport)

### **To register:**

1. Complete registration form (on back of this page)
2. Pay fees (see payment options below)
3. Fax (07 4638 4546), email ([ausvet@ausvet.com.au](mailto:ausvet@ausvet.com.au)) or post form to AusVet (PO Box 1278, Toowoomba, QLD, 4350)

You will receive confirmation of registration by return email.

### **Registration is free:**

There is no charge for registration for the workshop, which is sponsored by the FRDC. However, please note that the maximum number of participants is 25 and participation will be limited to no more than 2 people from each agency/organisation, unless vacancies occur.

Participants are responsible for their own travel arrangements and expenses. Accommodation is available at the motel if required, but this is participants' responsibility.

Registrations close 31 December, unless filled beforehand.

# Introductory training in epidemiology and disease outbreak investigation

13-15 March 2012

## Registration form

Attendee information:			
Name			
Position			
Company			
Address			
Email			
Phone		Mobile	
Special dietary requirements			
Laptops	Laptops are not essential for all participants but please bring one if you have one. We will be doing computer-based exercises in groups so if you don't have one you will be able to share with someone else  Are you able to bring a laptop? Yes / No		
Laptop O/S	Mac or Windows  The USB sticks and software will not run on a Mac. However, most of the software is available over the internet, so a mobile broadband connection for Macs would help
