CSK HPAU, Palampur (H.P.)

Indian Association of Veterinary Pathologists, IAVP is pleased to announce the seventh Satellite Seminar of **CL Davis DVM Foundation** of USA, on **Pathology of aquatic animals, farmed & laboratory fish including integrated aquaculture and waste management**, in India. The Foundation is a donative publicly supported charity of USA for the International Advancement of Veterinary & Comparative Pathology. The 8 hour seminar would provide information on *Integrated macroscopic and microscopic pathology of aquatic animals, Piscine models of human disease and fish as laboratory species & Important diseases of farmed fish*. The audience will also be sensitized on integrated aquaculture and waste management by the visiting speaker. The seminar would be presented by distinguished speaker, MAJ Eric D. Lombardini, VMD, MSc, DACVP, DACVPM; Chief, Divisions of Comparative Pathology & Veterinary Medical Research, Armed Forces Research Institute of Medical Sciences (AFRIMS), Bangkok, Thailand. The seminar would provide an excellent opportunity in preparing for Certification Examination conducted by Indian /American /European College of Veterinary Pathologists. Detailed program is available on IAVP (www.iavp.org), Indian College of Veterinary Pathologists, ICVP (www.icvp.in) as well as Foundation's (www.cldavis.org) websites.

WHO SHOULD ATTEND: Veterinary Pathologists/Specialists in Aquatic Animals working or aspiring to work for Industry, Academia and Government Institutions OR Anyone interested in the topic.

SEMINAR SCHEDULE: 8th Nov. 2012 from 8.00 am to 5.00 pm (eight hour seminar with one hour lunch break).

VENUE: National Research Centre on Equines, NRCE Hisar (Haryana)
