# FOCUS ENVIRONMENT

COMPETITION

## CELEBRATING WA'S AMAZING BIODIVERSITY through the camera lens

### It's easy to enter!

- **DISCOVER:** Find out about WA's unique species, the threats they face and how people can help.
- **PLAY:** Grab a camera and spend some time developing your photography skills.
- **EXPLORE:** Get outside and capture the diversity of our state's plants, animals and landscapes.
- **SHARE:** Compose a captivating caption that highlights the biodiversity story of your favourite photo.

**WIN**

Winning students and their schools will receive a cash prize and may have their winning photo published in ED!

Choose one or more of the following categories to **FOCUS** on:

- **FOCUS** on: WA's endemic species.
- **FOCUS** on: WA's habitats and ecosystems.
- **FOCUS** on: Celebrating human energy and sustainability in WA.

Prizes will be awarded for each category in the following age groups: Years K-2, 3-6, 7-10 and 11-12.

### Entry is open to primary and secondary students in WA schools.

Links to the Australian Curriculum: Science, Media Arts, English and Geography. Teacher notes, submission guidelines and competition rules can be found online at
